

CONFIRMATION

Certification and Inspection Body TÜV NORD Czech, s.r.o. confirms that
company

E S L, a.s.
Dukelská třída 247/69
CZ-614 00 Brno
ID No.: 63473780

is qualified to perform the correct re-stamping used to the identification of semi-finished products
and manufacturing parts from metal materials.

Within the inspection, the company has proved that it has qualified personnel for re-stamping and
checking of stamping and relevant documentation of the quality system.

Details are given in the Inspection Report No. 5118097/01.

List of competent personnel for the re-stamping including personal identification numbers
are given in the appendix.

The validity of this Confirmation is 3 years and can be extended on request.

Prague, 18.07.2018
